Vista Proppants and Logistics, LLC and its debtor affiliates, as debtors and debtors-in-possession in the above-referenced chapter 11 cases (collectively, the “Debtors”) hereby file this *Debtors’ First Omnibus Motion for Entry of an Order Authorizing the Debtors to (i) Reject Certain Unexpired Railcar Leases Pursuant to Section 365 of the Bankruptcy Code and Bankruptcy Rule 6006 as of the Petition Date and (ii) Abandon Any Remaining Personal Property in Connection Therewith* (the “Motion”). In support of the Motion, the Debtors respectfully state as follows:

Jurisdiction and Venue

1. The United States District Court for the Northern District of Texas (the “District Court”) has jurisdiction over the subject matter of this Motion pursuant to 28 U.S.C. § 1334. The District Court’s jurisdiction has been referred to this Court pursuant to 28 U.S.C. § 157 and the District Court’s Miscellaneous Order No. 33, *Order of Reference of Bankruptcy Cases and Proceedings Nunc Pro Tunc* dated August 3, 1984. This is a core matter pursuant to 28 U.S.C. § 157(b), which may be heard and finally determined by this Court. Venue is proper pursuant to 28 U.S.C. §§ 1408 and 1409.

Background

2. On June 9, 2020 (the “Petition Date”), the Debtors filed voluntary petitions for relief under chapter 11 of title 11 of the United States Code (the “Bankruptcy Code”) commencing the above captioned cases (the “Chapter 11 Cases”). The Debtors continue to manage and operate their businesses as debtors-in-possession pursuant to Sections 1107 and 1108 of the Bankruptcy Code.

3. An official committee of unsecured creditors has not been appointed in these Chapter 11 Cases. Further, no trustee or examiner has been requested or appointed in these Chapter 11 Cases.

4. A detailed description of the Debtors and their businesses, and the facts and circumstances supporting the Motion and the Debtors’ Chapter 11 Cases are set forth in greater detail in the *Declaration of Kristin Whitley in Support of the Debtors’ Chapter 11 Petitions and First Day Motions* and the *Declaration of Gary Barton in Support of the Debtors’ Chapter 11 Petitions and First Day Motions* (collectively, the “First Day Declarations”), which were filed on the Petition Date and are incorporated by reference in this Motion.

5. As set forth in the First Day Declarations, the Debtors business operations have historically involved producing and transporting mine-to-wellhead high-quality, fine-grade frac sand for oil and gas well completion in Texas and Oklahoma. In connection with the transloading of sand from rail to truck and the transportation of sand from in-basin terminals to the wellhead, the Debtors have entered into various railcar leases, certain of which are no longer necessary for the Debtors’ ongoing business operations.

6. The Debtors have carefully reviewed the necessity of the railcar leases and the fees and expenses associated with the railcar leases. The Debtors, in their business judgment,

believe that the cost and burden to the Debtors and their estates of maintaining the railcar leases listed on **Exhibit 1** of the Proposed Order (defined below) (the “**Railcar Leases**”) outweighs any benefits that the Debtors or their estates might receive. The Debtors do not have a need for the Railcar Leases going forward. The Railcar Leases are not necessary to the Debtors’ business and are a drain on the Debtors’ resources.

7. The Debtors have also determined, in their reasonable business judgment, that the costs associated with the continued storage of certain inventory and personal property or other remaining assets, which may include frac sand, located or stored at or in connection with the surrendered railcars (collectively, the “**Remaining Property**”) will exceed any projected proceeds that could be realized from the sale thereof, or may have low prospects for resale. Storage and removal costs associated with the Remaining Property would be burdensome to the estates and would not create value or benefit for the Debtors estates sufficient to exceed such costs.

8. Attached hereto as **Exhibit B** is a schedule that contains details regarding the applicable railcar identification numbers, the owner of each railcar, notes regarding the status and locations of the railcars.

Relief Requested

9. By this Motion, pursuant to Section 365 of the Bankruptcy Code and Bankruptcy Rule 6006, the Debtors seek entry of an order, substantially in the form of **Exhibit A** (the “**Proposed Order**”), authorizing the Debtors to (i) reject the Railcar Leases listed on **Exhibit 1** of the Proposed Order and (ii) abandon any Remaining Property pursuant to Section 554 of the Bankruptcy Code. The Debtors further request that rejection of the Railcar Leases be authorized and approved as of the Petition Date (the “**Effective Date**”), which is the date by which the Debtors anticipate that they will no longer be using the railcars under the Railcar Leases.

Basis for Relief Requested

A. Rejection of the Railcar Leases is Supported by the Debtors' Sound Business Judgment.

10. Section 365(a) of the Bankruptcy Code provides, in pertinent part, as follows: “the trustee, subject to the court’s approval, may assume or reject any executory contract or unexpired lease of the debtor.” 11 U.S.C. § 365(a). Rejection under Section 365 is generally intended to enable the debtor to relieve itself and the bankruptcy estate from burdensome and unprofitable contracts and leases in order to preserve and maximize the value of the bankruptcy estate. *See Stewart Title Gaur. Co. v. Old Rep. Nat’l Ins. Co.*, 83 F.3d 735, 741 (5th Cir. 1996) (noting that section 365 “allows a trustee to relieve the bankruptcy estate of burdensome agreements which have not been completely performed.”) (citation omitted). Bankruptcy courts use the business judgment standard to determine whether to approve a lease or contract rejection. *See Richmond Leasing Co. v. Capital Bank, N.A.*, 762 F.2d 1303, 1309 (5th Cir. 1985) (quoting *Group of Inst. Inv. v. Chicago, Milwaukee, St. Paul & Pac. R.R. Co.*, 318 U.S. 523, 550 (1943)) (“It is well established that ‘the question whether a lease should be rejected . . . is one of business judgment.’”).

11. Rule 6006 of the Federal Rules of Bankruptcy Procedure (the “Bankruptcy Rule(s)”) allows a debtor to file an omnibus motion to reject multiple executory contracts or unexpired leases. FED. R. BANKR. P. 6006(f). Such an omnibus motion to reject multiple contracts and leases must (1) conspicuously state the parties subject to the rejection, (2) list such parties alphabetically and identify their contract or leases, (3) be numbered consecutively with other omnibus motions, and (4) be limited to no more than 100 executory contracts or unexpired leases. FED. R. BANKR. P. 6006(f).

12. In the sound exercise of their business judgment, the Debtors have determined that rejecting the Railcar Leases is in the best interests of their estates and creditors. The Debtors have carefully reviewed the necessity of the Railcar Leases and the fees and expenses associated with the Railcar Leases. The Debtors, in their business judgment, believe that the cost and burden to the Debtors and their estates of maintaining the Railcar Leases outweighs any benefits that the Debtors or their estates might receive. The Debtors do not have a need for the Railcar Leases going forward. The Railcar Leases are not necessary to the Debtors' business and are a drain on the Debtors' resources.

13. Additionally, the Debtors submit that they have satisfied the requirements of Bankruptcy Rule 6006. The Debtors have listed the parties that are subject to this Motion and counterparties to the Railcar Leases in **Exhibit 1** and those parties are listed alphabetically. This Motion is numbered consecutively and no more than 100 Railcar Leases are listed for rejection herein.

14. Based on the foregoing facts and circumstances, the Debtors submit that the rejection of the Railcar Leases is supported by sound business judgment and is necessary, prudent, and is in the best interests of the Debtors' estates and the Debtors' creditors.

B. The Effective Date for Rejection of the Railcar Leases is Appropriate

15. The Debtors request that the rejection of the Railcar Leases be effective as of the Effective Date, which is the date by which the Debtors anticipate that they will no longer be using the Railcar Leases. Although rejection of an executory contract or unexpired lease is generally effective as of the date of the entry of an order of the court approving such rejection, there is substantial authority for permitting retroactive rejection if the Debtor is no longer receiving the benefit of the executory contract or unexpired lease. *See, e.g., In re Cafeteria*

Operators, L.P., 299 B.R. 384 (Bankr. N.D. Tex. 2003) (approving rejection of closed restaurants retroactively to the later of the date the motion to reject was filed or the date the leased space was vacated); *In re Amber's Stores, Inc.*, 193 B.R. 819, 827 (Bankr. N.D. Tex. 1996) (“nothing precludes a bankruptcy court, based on the equities of the case, from approving the trustee’s rejection of a non-residential real property lease retroactively to an earlier date.”); *see also In re Mid-Cities Home Med. Equip. Co., Inc.*, Case No. 19-41232-ELM-11 (Bankr. N.D. Tex. May 17, 2019) (Docket No. 140) (order granting debtor’s omnibus motion to reject retroactively to the date the premises were vacated).

16. Here, the equities weigh in favor of granting the relief requested with respect to the Railcar Leases as of the Effective Date. As of the Effective Date, the Debtors are no longer using the railcars under the Railcar Leases. The Railcar Leases are no longer of value to the Debtors’ estates and rejection effective as of the Effective Date will permit the Debtors to avoid paying unnecessary expenses, thereby minimizing the Debtors’ administrative expense obligations.

C. Abandonment of any Remaining Property is Justified

17. Pursuant to Bankruptcy Code § 554(a), “[a]fter notice and a hearing, the trustee may abandon any property of the estate that is burdensome to the estate or that is of inconsequential value and benefit to the estate.” 11 U.S.C. § 554(a). Here, the Debtors have determined, in their reasonable business judgment, that the costs associated with the continued storage of any Remaining Property located or stored at or in connection with the railcars that are subject to the Railcar Leases will exceed any projected proceeds that could be realized from the sale thereof, or may have low prospects for resale. Storage and removal costs associated with the Remaining Property would be burdensome to the estates and would not create value or benefit

for the Debtors estates sufficient to exceed such costs. Accordingly, to the extent that there is any Remaining Property associated with the Railcar Leases, the Debtors seek authority to abandon the Remaining Property in place as of the Petition Date and submit that such authority is necessary and appropriate under Section 554 of the Bankruptcy Code.

Notice

18. Notice of this Motion will be provided to the Railcar Lease counterparties identified on Exhibit 1 of the Proposed Order and: (i) the Office of the United States Trustee; (ii) the Debtors' secured creditors; (iii) any part whose interests are directly affected by this specific pleading; (iv) those persons who have formally appeared and requested notice and service in these proceedings pursuant to Bankruptcy Rules 2002 and 3017; (v) counsel for Ares Capital Corporation; (iv) counsel for any official committees appointed by this Court; (vii) the 20 largest unsecured creditors of each of the Debtors; and (vii) all governmental agencies having a regulatory or statutory interest in these cases (collectively, the "Notice Parties"). Based on the urgency of the circumstances surrounding this Motion and the nature of the relief requested herein, the Debtors respectfully submit that no further notice is required.

WHEREFORE the Debtors respectfully request that the Court (i) grant the Motion and (ii) grant such other and further relief as is just and proper.

RESPECTFULLY SUBMITTED this 9th day of June, 2020.
